

Office municipal
d'habitation
de Montréal

Montréal, 13 November 2024

To the tenants of **Habitations Sainte-Brigide**
1225, rue Alexandre-Desève

Work on the wheelchair ramp

The **MA Cardillo** company will carry out work between **November 12 and 22, 2024**, to make the **wheelchair ramp** safer.

Here are the main steps:

- Demolish the walls and the concrete slab on the ground, then remove guardrails.
- Install a new concrete slab over the entire ramp.
- Build a temporary ramp.
- Another contractor will come to repair, repaint and reinstall the guardrails.

Persons with reduced mobility must use the **temporary wheelchair ramp** located on the south side of the building (**near the parking lot**) and use the common room to enter and exit. Signs indicate the which way to go.

Tenants and visitors will still be able to **use the main entrance**.

Thank you for your patience and cooperation!

Do you have any questions about the work?
