Get involved

At meetings

At the meetings in **May and September 2024:**

- In total, nearly **40 people participated** in these meetings.
- We informed everyone about the work starting this fall.
- We addressed your concerns regarding the work:
 - **Postal delivery:** same service as usual, the letter carrier will use the door on the side of the building.
 - **Access to the building** for deliveries and services: the temporary intercom will be next to the outside door of the common room.
 - Temporary intercom: same system as when the intercom was at the front of the building.
 - **Width of the external door of the common room:** it will be wider so people with reduced mobility can easily access the building.
 - **Safety for the external door of the common room during the work:** the external door will always be open. The contractor is obliged to keep the premises safe at all times to prevent intruders.

Get involved

What you need to do

- Stay away from the site and equipment to avoid an accident.
- **Use the outside common room door.**
- **Use the temporary intercom on the side of the building.**
- The common room cannot be used for the entire duration of the work.

inconveniences caused by the work

- There will be noise and dust.
- There will be machinery and scaffolding.

reasons for this work

- Make it easier for tenants with reduced mobility to get around.
- Widen the width of passages
- Make wheelchair ramps compliant with building code

Investment : \$ 345 000

Thank you for your patience and cooperation!
