- The work will take up the whole backyard. The yard will therefore not be available for the duration of the work. The chairs, tables and plants will be put into storage and put back once the work is complete.
- Some areas of the parking lot will not be accessible for part of the work. You will be notified in advance.
- The excavation work (backyard) will cause noise and dust.

For your safety, please stay away from the equipment and stay outside the safety perimeter.

Reasons for this work
