What you need to do

Before the exterior doors, windows and balconies are replaced:

- **The contractor will notify you in writing 2 days in advance** (a notice will be posted on your apartment door).
- You must follow the instructions to prepare for the contractor (see attached sheets).

On the day the contractor comes to replace the **exterior doors, windows and balconies:**

- **Be present in your apartment** at the time and date on the notice.
- If you **cannot be there**, ask **someone you trust** to be present in your apartment.
- If you **cannot be there** and **cannot find a trusted person** to be there for you, **inform your liaison officer** as soon as possible.

When the contractor asks, you will need to:

- Clear everything off your balcony.
- Move your satellite dish.
- Clear the floor in your living room.
- Prepare your windows.

inconveniences caused by the work

- There will be noise, dust and equipment.
- There will be workers inside and outside the building.
- **You will not have access to your balcony for a while.** Keep an eye out for notices.
- Some parking spaces may not be available during the work. We will contact the tenants concerned.

reasons for this work

Part of the building envelope framework has reached the end of its useful life.

We need to replace the exterior doors and windows to improve the building’s waterproofing and insulation. This will make your apartment more comfortable.

Investment : \$1.4 million

Thank you for your patience and cooperation!
